### Quick Overview

Send Dad a Father's Day Gift Basket this year, with our big and bountiful cheese & snacks Gift Basket incorporating an "Above Average Dad" wooden sign - in case he's in any doubt of how much you think of him. The Father's Cheesy Sunshine gift basket is non alcoholic and the perfect gift to send him on the only day its all about him.

### Details

Our Dad's Cheesy Sunshine gift basket was inspired by Father's Day being celebrated on the 3rd weekend of June, at the height of summer when the weather is generally sunny. We take a linen lined gift basket and simply fill it with products from our fridges and shelves that we know Dad's simply love. Then the magic begins with a presentation and wrap, which sometimes gets us into trouble as its so beautiful, Dad doesn't want to open it.
