### Quick Overview

The Sparkling Chocolate Celebration hamper gift features a winning combination of good wine and chocolates, ensuring a top place for this popular gift basket which lends itself to a variety of occasions and celebrations.

### Details

Our sparkling wine choices are hand selected to ensure quality is of a premium. For the Sparkling Chocolate Celebration gift basket we've chosen a sparkling pinot noir chardonnay from Jacob's Creek. We love this Australian wine producer as we believe years of experience have led them to know exactly what makes a good sparkling wine: fine bubbles, a little citrus and shortbread on the palate, and a refreshing, cleansing finish. Good fizz needs to be complimented by good food and that's exactly what we've achieved in this gift package of delicious chocolate and sweet indulgences from world famous Swiss producers and less well known local British and Irish chocolate manufacturers. The result is a very chocolatey celebration wine gift package that is guaranteed to please.
