IN STOCK

Quick Overview

Luxury Hamper filled with Food Gifts, which are so powerful in terms of taste they are able to stand on their own as individual gift items. Great Taste Award accreditation stands testament their quality.

Details

Whatever the reason may be, this hamper is the Minimal Alcohol version of our popular Platinum Range. The Platinum is an ambient food hamper of impeccable taste. Adventurous and extravagant it incorporates an array of award winning speciality foods made by artisan producers that are the best in their field. It blends traditional flavours with contemporary, modern tastes to such an extent that our hampers clearly stand out impressively in a sea of ordinary competitors.
