Details

Our cheap Fathers Day Hamper is a big surprise to shoppers. It's only cheap in terms of its price and it is only available in small numbers. Nevertheless, we are confident that stocks will last to meet Fathers Day demand this year in the UK, so there is no need to fear this item being a loss leader and being a disappointment upon arrival. As a Hamper Company of many years trading, we buy in large quantities of the best quality foods and then it's our marketing job to find good homes for them. This enables us to create seasonal hampers and theme for specific occasions such as Fathers Day at simply unbelievable prices. So what makes this Surprise Hamper so appealing to Fathers this year? We've got an overtly ORANGE flavour running through this Fathers Day gift in the shape of Fig and ORANGE Chocolate, Melon and ORANGE crisps, sweet-potato crisps and ORANGE jellied Organic sweets. Included within the Fathers Day Surprise hamper is a selection of intriguing chocolate flavoured gifts, biscuits and coconut milk. The aggregate impact is an unusual and distinctive hamper gift, which is presented in stunningly attractive hamper basket, wrapped, customised with Fathers Day ribbon and certain to make a memorable impact on your Dad this year with tastes, which underscore exactly why Basketsgalore reviews repeatedly emphasise the fantastic quality of our product selections. The Surprise with this hamper is not so much the surprise for Dad. He's probably hoping you'll be sending him a little gift on Fathers Day after all, the surprise is the demand on your wallet for a Fathers Day hamper of the size and quality shown here.
